Email: jason.wu@chancebridge.com**Areas of Practice**

Dr. Wu specializes in corporate compliance and internal control, anti-bribery, advertising, E-commerce, FDA regulation, anti-unfair competition and antitrust, blockchain regulation, government enforcement, crisis management, and administrative reconsideration and litigation, etc. He represented many multinational companies in dealing with government investigations of commercial bribery, illegal advertising, product quality, food safety and illegal pricing and promotion, and was able to close or terminate most of the cases without penalties.

Prior to joining the firm, Dr. Wu was a counsel at two well-known red circle firms in China and worked in the Shanghai market regulation system for more than 10 years. As an officer, he was responsible for investigating hundreds of cases, presided over hundreds of administrative review cases from lower-level district agencies and represented the municipal agency in legal proceedings. Additionally, Dr Wu served as an in-house attorney in a biotech company in Boston, USA. Dr. Wu had academic education experiences in China, EU and the US.

Education background

- Boston University, LLM
- East China University of Political Science and Law, PhD
- Maastricht University (the Netherlands), Visiting Researcher.
- China University of Political Science and Law, LL.B
